A Message from Our CEO

We had another wild year in 2022, but I am glad to report that Camp Mohawk is stronger and in much better shape than this time last year.

At the beginning of 2022, we faced lingering challenges due to COVID and the effects of the pandemic. However, even though it started out tough, it ended on a great note. We had a very hard time staffing this past summer. Due to a lack of a "normal" CIT program in 2020 and 2021, we had extremely low numbers of Junior Counselor applicants. We also had many staff families that postponed family vacations for two years, resulting in shorter contract terms and shorter time commitments from our staff. International applicants were scooped up quickly as they applied and were very hard to hire. In the end, we were able to hire just enough to make it work for three sessions of full numbers and a slightly smaller Session 4.

It was a tough beginning, even compared to 2020 and 2021. Due to the conflicting testing and quarantining policies, many staff felt the pressure of COVID, as did the administrative team. As the first few weeks went on, things started to shift back to as normal as possible. We had a wonderfully successful summer as far as enrollment, camper experience and parent satisfaction. I feel that we will make great strides in staff satisfaction this coming year, and for years to come.

Both the seasonal and full-time staff have been taking the brunt of all the changes and stressors. I am looking forward to showing them how much we care for them, and how valued they all are. A good start for the seasonal staff is an increase in their salary to $500 per week in 2023. We have already had staff commit to longer contracts because of this pay increase. We will continue to raise the wage up until it reaches minimum wage.

Outside of the summer, I am happy with the committee work progress and progress on the Master Site Plan. We are constantly doing construction and planning projects. I feel that we have done it the right way, taken our time and soon we will be able to present the plan and get approval to continue making improvements for the future.

Winterizing the office has been such a blessing. It has been so nice for all the staff to be out here every day. We are able to walk the property, answer questions, approach any visitors and are already ahead of years past with getting deliveries for 2023. I think that it really will benefit camp forever, as will the power lines going underground, investing in the upgraded security gate, and installing a new generator.

Working with the Board of Directors was a pleasure this year. We are continuously in communication, working together to accomplish various side projects that benefit camp. I am looking forward to days like Spring Work Day and the Alumni Reunion when we get to relax a bit and socialize; so many of our meetings are filled with good content that we do not often have much time for catching up. I would love to start enjoying a dinner meeting with the Board once a year, as we have done in the past.

I am looking forward to the year to come and certainly the summer without restrictions.

May the Spirit Last a Lifetime,
Patrick Marchand

Alison Irwin, Assistant Director

2022 was a great year to get back to what makes Mohawk special. Although we faced some staffing shortages and a bout of COVID, our counselors and staff came through and created an amazing summer for our campers. I was incredibly grateful to a group of 9 former Mohawkers who were hired mid-summer to fill in the gaps Session 4, as they breathed new life into camp and brought us all back to the love of Mohawk.

Our campers were so excited to once again be able to connect with campers outside their cabin, choose their own activities, and have a true Camp Mohawk experience.

I am very grateful to Camp Mohawk and the Board of Directors for the opportunity to serve so many wonderful young women over the past 13 years.

Mikayla Hartman,
Senior Program Director

Being back at Camp Mohawk for the summer of 2022 was such a special experience for so many of our campers and staff as we were able to get back to a seemingly "normal" summer. I found it especially rewarding as I got to complete my first summer in a full-time capacity! I couldn't help but to feel grateful as I was able to witness the excitement of campers who got to choose their own activities, dance on the benches during Dutch Auction, and even horseback ride again. Knowing we had such a dedicated, hardworking staff and happy campers all around made this summer one to remember!

Camp Mohawk Creed

We believe
In the wonder of the out-of-doors,
In the inspiration of the stars,
In the the allurement of life in the open.

We believe
In the strength of the hills,
In the silence of the night,
In the music of the birds and trees.

We believe
Our minds were made for thinking,
Our hearts were made for loving,
In unison with life and nature.

We believe
To laugh and sing,
To swim and walk,
To study and play,
To eat and be happy,
To be kind and free,
To grow strong and good,
Is our God-given right.

We believe
That to be happy we must be good,
To be worthy we must be kind,
And to be loved we must think love.

We believe
That God is as near as man,
We can hear him in the brooks and trees.

Camp Mohawk peace and happiness
We cherish in heart and mind.
