MARCH 2026

EXCITING UPDATES COMING TO THE MOHICAN CABINS THIS SUMMER!

If you're staying in the Mohican Unit this summer, you might notice something new! After the success of last year's Ute cabin renovations, we're giving the five Mohican cabins a refresh this spring. They're getting brand new roofs, updated porches, and improvements to the walls, windows, and doors.

The cabins will still feel like the Mohican cabins everyone loves — perfect for late-night giggles and getting ready for another day of camp — but they'll look fresh and stay cooler on hot summer days. We can't wait for Mohican campers to arrive this summer and see their updated cabins ready for another great season at Mohawk!

MOHAWK ACROSS THE POND REUNION IN LONDON

At the end of February, Mikayla traveled to London to finish hiring the final counselors for the upcoming summer. We're happy to report that her trip was a success: Camp Mohawk is now fully staffed for Summer 2026!

While she was there, Mikayla gathered a group of current and former Mohawk staff for a reunion. The group included counselors who worked at camp between 2019 and last summer, sharing stories and reconnecting over their time at Mohawk. It was a reminder of just how far the Mohawk community reaches, and how strong those camp connections remain, even years later.

Even better, several of the staff who joined the reunion will be returning to camp this summer. We can't wait to welcome them back and introduce our campers to another great team of counselors ready for an incredible season.

FIND PATRICK'S LUCKY SHAMROCKS!

To celebrate Patrick's favorite holiday, he has hidden shamrocks all over camp. Take a close look at the map below and see where his lucky shamrocks might be hiding. See how many you can find!

Did you find all thirteen shamrocks?

MARCH 2026

GETTING READY FOR SUMMER!

Even though there's still snow on the ground, we're already busy getting camp ready for summer at Mohawk! Around camp, projects are underway, cabins are being refreshed, and we're starting to plan all of the activities, traditions, and fun that make each summer special. In the coming months, there are a few important dates to keep in mind. Families are always welcome to join us for Spring Work Day on May 16, when campers, parents, and staff spend the day helping get camp ready after the long winter. It's a great chance to visit camp, lend a hand, and start getting excited for the summer ahead.

If you're new to camp this year - or just want to come back for a visit - our Open House is a great opportunity to explore camp, meet staff, and see where all the summer fun happens. It might still feel like winter right now, but before long Mohawk Pond will be full of boats again and camp will be filled with laughter, songs, and friends. We can't wait to see everyone this summer!
