HAVE YOU HEARD? THE JAWAK SHOWER HOUSE IS COMING!

Construction is officially underway! With full approval from the State of CT, our local town and the Board of Directors, the future Jawak Shower House project has broken ground. The land behind Jawak cabins F, G & H has been cleared to make way for the building and septic system. The new septic system will not only ensure efficient operations but also result in a brand-new field for Jawaks play in and enjoy.

What makes this upcoming facility stand out is the great addition of a screened-in porch – a game-changer compared to the existing Lighthouse setup. This porch will serve as a means to keeping pesky bugs at bay while offering a nice space for campers to relax and chat while waiting for a shower. Stay tuned for more updates as the construction progresses!

THANK YOU FOR YOUR SUPPORT! \$10,000 MATCH MET ON GIVING TUESDAY

Thanks to the unwavering support of the Mohawk community, we met our goal of matching \$10,000 in donations on Giving Tuesday. With the match, the Mohawk community raised an astounding \$30,311!

As we draw nearer to our 2023 objective of raising \$150,000, ensuring that every girl can experience camp, regardless of financial barriers, we invite you to join us in making a meaningful impact. Thank you for being an integral part of our journey and for considering your support as we strive to create opportunities for these girls.

FRIENDLY NEW FACES IN 2024!

We are already connecting with some stellar staff to lead the way next summer. Here's one to get to know!

Meet Lissy

Hi! My name is Lissy. I'm 19 and I'm from the UK. I'm full of energy and excitement, and I'm a massive fan of films – especially the Marvel Cinematic Universe. I also love all the different types of theatre; from classical theatre all the way to musical theatre. I've been acting since I was 6 and it's a huge passion of mine.

I love to travel and visit new places and meet new people. America is one of my favourite places, as it holds so many memories of the times we used to visit my grandparents in Arizona when I was younger. I'm so excited for summer at camp, but what I'm most looking forward to is the 4th July!

FROSTY MOHAWK: SNOWY SCENES & SUMMER DREAMS!

Snowball incoming! Mohawk was transformed into a winter wonderland with the arrival of the first snowfall of the season, offering a stunning view of camp – if just for a moment! The snow didn't last long, but served as a reminder of the winter ahead.

There's a lot that happens at camp during the quiet winter months! The office has been abuzz with anticipation of planning for the upcoming summer and the projects happening around camp. Exciting developments are underway with the new Jawak Shower House. Plans of new Theme Nights are being dreamed up as a dynamic team of both familiar faces and excited new camp staff are committing to Mohawk for the upcoming summer.

While we prepare for a winter of snowball fights by the Rec Hall, we are always eagerly anticipating the warmth and adventures that next summer brings!
