OUR MISSION

The primary purpose of YMCA Camp Mohawk is to provide rich and diverse group outdoor experiences for girls and young women in pursuit of developing character, leadership, and values in accordance with traditional YMCA principles.

MEET OUR STAFF

PATRICK MARCHAND, CEO

Patrick's family has been with Camp Mohawk since 1988, when his father, Fran, was Mohawk's CEO. Patrick became our Camp Director in 2009 and in 2018, Mohawk's CEO. Patrick still works as the Camp Director throughout the summer, overseeing all staff, activities, and all things camp. Patrick and his family live at camp during the summer and his girls enjoy our overnight and day camp programming. During the day, Patrick can be found enjoying Mohawk and overseeing the daily aspects of camp.

MIKAYLA HARTMAN, ASSISTANT DIRECTOR

Mikayla has been with Camp Mohawk since 2007, started on staff in 2015, and started full time in 2021. She has been a camper, CIT, counselor, Unit Leader, Senior Program Director, and now, our Assistant Director. Mikayla oversees staff recruitment, hiring and training, oversees all programming, our Program Directors, CIT Director and program, and transportation. During the day, Mikayla likes to join in with campers in their activities, and doing her best to make sure everyone is having the greatest camp experience.

OUR SUMMER STAFF

Each cabin is under the leadership of mature, caring counselors. Each cabin has a counselor who is at least 18 years old, in addition to a Junior Counselor, who is 17 years old. These young women commit their summers to serving Mohawk campers and are responsible for creating the welcoming environment that we see in every cabin on camp.

Many of our counselors have come up through the ranks of Mohawk as campers, CIT, Junior Counselor, and then Counselor. Others are recruited throughout the United States and foreign countries such as England, Ireland, Scotland, Spain, and Australia. Counselors are selected based on their experience with children, energy, creativity, and a desire to be a positive role model for children. All staff are trained to give your camper the best experience possible. Each counselor is required to participate in a week-long on-site training that prepares them for the summer ahead!

In addition to our counselors, our administrative team and support staff work tirelessly to serve Mohawk campers. Every single member of our kitchen and maintenance crew, office staff, and administrative team knows that each staff member on our team is a role model and serves as an example for our campers. If you have any additional questions about our staff, feel free to contact the office!

COMPLETING YOUR PAPERWORK

PRIOR TO CAMP: STORE ACCOUNT

STORE ACCOUNT

If you would like your camper to be able to purchase drinks, snacks, stationary items or send out laundry, you will need to add funds to their store account. We recommend \$50-\$75 per camper for a two-week session. This amount should cover the cost of a daily trip to the camp store for snack and a load of laundry. You'll be able to see how much your camper has spent, and reload if necessary, from your online account.

DAILY STORE Campers can get one drink and one snack after dinner each night. Each item is \$1.50.

EXTRAS If any items are needed while at camp (sunscreen, aloe, toothbrush, water bottle, etc.) they can be purchased through our office or health center. Campers can also purchase envelopes and stamps at the camp office.

LAUNDRY Campers can also have their laundry sent out every Monday and it is returned the next day. The cost is charged to their store account at \$1.10 per pound of laundry.

HOW TO ADD FUNDS TO CAMP STORE

1. Login to your CamplnTouch account
2. Click 'View Camp Store Account'

Once in the portal, you can select 'Fund' and follow the steps in the pop-up screen. Once funds have been added, you will be able to 'View' purchases, and the remaining balance.

Camp Store Account	
Camper	Remaining Balance
Camper Name	\$0.00 View Fund

Any funds remaining in your child's account at the end of their session can be refunded to you or donated.

CHANGEOVER

For campers staying multiple sessions, families can take advantage of Changeover. This is the night between each two-week session. Campers stay at camp with counselors and enjoy activities, a movie, and meals. Cost is an extra \$118/camper. Alternatively, they can go home for the night. Please let the office know ahead of time if you would like to join.

CHECK-IN PROCEDURES

CHECK-IN TIMES: Sunday 1:00PM – 3:00PM

Families will be emailed an assigned arrival time during the week prior to check-in. This will stagger campers' arrivals to make it a more seamless check-in process for you.

Session 1B & 4B: Sunday 1PM – 2PM

BEFORE YOU LEAVE HOME Make sure you have read over the Family Handbook carefully and that your paperwork is fully completed. Everything can be double checked through your CampInTouch account.

ARRIVAL AT CAMP Campers and their families can arrive for check-in at their assigned time. Once you arrive, you will be greeted by our staff at the gate and they will guide you to parking.

STEP 1

Once you have parked, a staff member will greet you at your car. Your camper will receive their cabin assignment and someone will help you unload your luggage. All items will be labeled and transported to your camper's cabin while you continue the check-in process.

STEP 2

Head over to the **Healthy Camper Check-In** to have your camper's temperature taken.

From here, you'll be directed to meet the camp nurse, if needing to check-in medication. Otherwise, continue to the Rec Hall.

STEP 3

Proceed to the **Rec Hall** for:

- Camp Store check-in
You can skip this step if you fund their store account prior to arrival
- Purchasing any Camp Mohawk apparel

STEP 4

Proceed to the **Dining Hall** for a lice check. Every camper **MUST** be checked and cleared by a staff member before heading off to their cabin.

STEP 5

You are ready to head to **your cabin!** Your counselor and new friends are all so excited to meet you! Families can stay to help get the camper settled.

STEP 6

Head home! Once you have said your goodbyes, you can go back to your car and head home. Our staff are around camp if you have any questions or concerns.

WANT A SPEEDY CHECK-IN?

If your daughter is a returning camper and you do not want to go up the hill to get them settled in their cabin, you absolutely do not have to. Let the staff at the gate know, and they will direct you to park. You will need to meet with the nurse if your camper has medication, otherwise, you are good to go!

CHECK-OUT PROCEDURES

CHECK-OUT TIMES: Saturday 9AM - 10:30AM

Session 1A & 4A: Saturday 9:30AM-10:30AM

STEP 1

Welcome back! A staff member will greet you at the gate and ask who you're picking up. You will be directed to where you should park to pick up your camper. They will be ready on the field, with all their packed bags.

STEP 2

At the Rec Hall a staff member will notify you of your store balance. If there are remaining funds, you will have the option to donate your balance, receive it as a check, or a combination of the two.

STEP 3

Nurse Check-Out: This step is only necessary if your camper brought medication with them to camp. At this point, you will be able to collect that medication(s) in the Rec Hall.

STEP 4

See you next year! Check that you have collected all your camper's luggage before you leave!
Camp Mohawk merchandise will be available for purchase in the Rec Hall.

STAFF APPRECIATION & MOHAWK MANIA: One of our favorites themes at camp! We want our counselors and support staff to know how much we love and appreciate them, so be prepared to remind them how much they mean to you! Also dress up in your Mohawk gear all day to show your spirit.

UNIT NIGHT & CABIN SHOWDOWN: Don't worry about planning ahead for these—each Unit or Cabin will plan these together at camp!

BANQUET: At the end of each two-week session we have a banquet at camp. This is the last dinner with all your camp friends and a chance to celebrate and say good bye. You can wear dresses or anything nice for this occasion.

BIRTHDAYS

If your child's birthday occurs while she is at camp, we will do everything we can to make it special! At breakfast, she will be presented with a crown, while the whole dining hall sings our Camp Mohawk birthday song. Counselors will go out of their way to find ways to celebrate throughout the day, such as decorating the cabin and making birthday cards. Finally, at dinner, her counselors will present her with a birthday cake and the entire camp sings.

SICKNESS & HOMESICKNESS

It is not unusual for even the veteran camper to feel homesick the first few days away from their family. Parents can help by emphasizing the wonderful camp experience your daughter will have at Mohawk. We strongly discourage parents from telling your camper she can come home after a few days if she is homesick. This actually encourages homesickness and often makes the child unhappy. It also is more difficult to try and help the child make it through if she knows she can go home. Parents should understand that the initial letters you may receive might express strong homesick feelings. Please do not be alarmed. What was a crisis on day two may have been forgotten by day four. Write a reassuring letter back urging them to stick with it and have a great time. We treat our homesick campers with sensitivity, reassurance, and special attention. If a situation requires further attention, the Unit Leader is called to help, and if necessary, the nurse is called in for some TLC. We frequently speak with parents regarding their child's homesickness. If you would like more information on preventing homesickness, please contact us.

Anytime a girl needs to spend the night in the Health Center, or needs to be seen by the camp physician or it is the opinion of the Camp Nurse that it is in the best interest of the child, we will make every effort to contact the parent.

REFUND POLICY

1. Any cancellation received in writing or email (info@campmohawk.org) prior to April 1st will result in a refund of all fees paid minus the \$200.00 deposit regardless of reason of cancellation.
2. Prior to attendance: No refunds will be made for cancellations received after April 1st.
3. Once a child has begun her camp experience, no refund will be issued for any part of camp fees paid if the child leaves camp before the session(s) she is registered for are completed. Any camper withdrawn from camp for reasons related to homesickness will not be issued a refund.
4. Riding Fees: If inclement weather results in a camper being unable to ride for more than two days in a one week period, a refund equal to 1/5 of the weekly riding fee paid will be refunded upon request for each subsequent day that a riding lesson participant cannot ride due to weather related causes.

If you are uncomfortable with the above Refund Policy, please consider camp cancellation insurance. Information about camp cancellation insurance is available at www.travmark.com
