FALL AT CAMP MOHAWK

CELEBRATING MOTHER DAUGHTER WEEKEND AND MORE!

Following a summer brimming with happy campers, our gates remained wide open to extend a warm Mohawk welcome to an array of exciting fall events. We welcomed in the much-anticipated Alumni Weekend, a rejuvenating Women's Wellness Weekend, a fun fall Pumpkin Fest, and the ever-popular Mother Daughter Weekend.

This year's Mother Daughter Weekend marked a milestone, boasting an impressive turnout of over

140 mothers and daughters – our largest gathering to date! Even a touch of rain couldn't dampen the spirits, as smiles and laughter echoed through the campgrounds. The event was an undeniable success, creating unforgettable moments and strengthening the bond between mothers and daughters. With the overwhelming enthusiasm, we're already in the early stages of planning next year's weekend, and we can't wait to welcome you to join us once more for another heartwarming and memorable experience!

SUMMER STAFF RETURN!

Our staff is already getting excited about another summer at Mohawk! Here's one to get to know!

Meet Isabel

Isabel has been a Mohawker for 8 years and is so excited to return for her 4th summer on staff as a unit leader! Mohawk has always been an important part of her life; she's so grateful to be a part of camp's spirit of independence and authenticity. She loves sharing her passion for archery, yoga, and theater with her campers, and already can't wait to meet everyone in 2024. Ask her about history or books anytime – she'll happily talk your ear off!

SUMMER REFLECTIONS: A HEARTFELT THANK YOU

As the leaves change color and the air turns crisp, we find ourselves reflecting on the incredible summer we've just had. With the glow of campfires, the sound of laughter, and the joy of reunions, we are truly grateful for your unwavering support and the enthusiasm you brought to the 2023 summer camp season. After a couple of challenging years it was heartwarming to witness our camp community come together and create a sense of normalcy. The camp spirit shone brighter than ever, and summer of 2023 will forever hold a special place in our hearts. It was a testament to the power of community, the resilience of our campers, and the dedication of our staff. The natural beauty of fall at camp reminds us of the joys of summer, and we eagerly anticipate the return of camp next year. Thank you for being a part of our camp family, and for making this summer a season to remember. We are already counting down the days until we can all come together again.

A VIBRANT FALL AT CAMP MOHAWK

Fall has kept us on our toes at camp! The energetic camp spirit shone during our busy fall weekend programs. As the weather gets colder, our beloved camp takes on a quieter charm. Against the backdrop of autumn's vibrant foliage, the pond now glistens, freshly stocked with trout, offering a truly picturesque view. New signs are beginning to go up around camp, thanks to the hard work of our CITs working on this legacy project. Their summer of planning and successful fundraising ensure that our camp's structures will boast a unified and aesthetically pleasing look. These classic wooden signs will be installed on key camp buildings such as the Office, Rec Hall, Dining Hall, and more. Stay tuned for the evolving beauty of camp as we enter the winter season!
